*\*\* We are able to produce Passport & VISA photographs for other countries. If your destination is not listed above, please ensure you bring details of photo specifications with you.*

Each set of photographs is produced according to the regulations that cover the particular country concerned. We give a full satisfaction guarantee for any ID photographs. The prints will not be made until you are completely satisfied with how you look in the image. In the unlikely event that your photographs are rejected by the Passport Office etc, simply come in with the 'rejection letter' plus any unused photos and we will re-take your photograph FREE of charge.

### SERVICE TIMES

*You do not need to book to have passport photos taken. Standard grey or off-white backgrounds usually take about 5 minutes to produce. White background photos take about 20 minutes after the photo is taken.*

*Digital files will usually be emailed to you within 30 minutes.*
